Julington Creek Plantation Amenity Center Parking

350 Plantation Club Pkwy
St Johns, FL 32259

Additional Information for Parking at Julington Creek Plantation:

- **Use the Recreation Center parking lot.** It is only a short walk from the Rec lot to the JCP Sportsplex and we should have available parking spots to accommodate attendees.
- **NO parking directly outside the Sportsplex** other than the parking spaces in the lot. Once the Sportsplex lot is full, attendees **may not** park on the street or in the grass along Plantation Club Pkwy (the street leading to the JCP Recreation Center). We must have room for any emergency vehicles (Firetrucks, Ambulances, etc.), residents, and employees to enter and exit the Recreation Center without any obstruction along Plantation Club Pkwy.
- **Overflow parking** should park in the grass along Durbin Creek Blvd on the Southwest tree line of Durbin Creek Blvd and Plantation Club Pkwy (on the same side as the Recreation Center Sign). It is also only a short walk to the courts from that location as well.
- **NO Skatepark use.** Attendees are **not** permitted on any of the ramps or any part of the skatepark section of the Sportsplex to allow our community skaters to utilize the park and for everyone's safety.

Thank you for your cooperation.
